### Father's Day Fun Facts

Father's Day is celebrated the third Sunday in June in over 50 countries around the world.

The first Father's Day celebration was said to be on June 19, 1910 in Spokane, Washington.

In 1966, Lyndon Johnson finally made an official proclamation that

Father's Day would be recognized on the third Sunday of June.

It wasn't until 1972 that Father's Day became a permanent national holiday. (President Nixon signed it into law.)

There are over 65 million fathers in the United States.

Neckties are the most popular gift for Father's Day.

Father's Day is the fifth most popular card-sending holiday, with an estimated \$100 million in card sales.

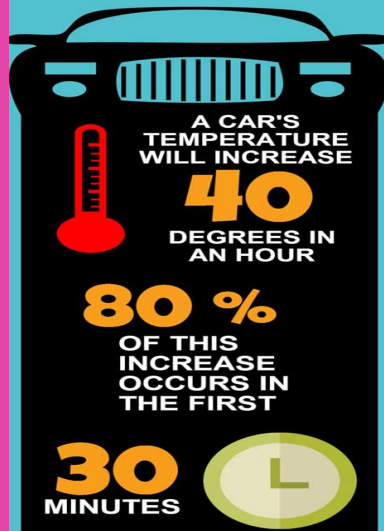

Happy Father's Day to all the Dads out there!

## Need Help With College Tuition, Home Equity Loans My Be The Answer

College tuition is expensive and most families need financial assistance to pay for schooling. Taking a Home Equity Loan can give you the money you need to make this dream a reality. If parents don't have a college fund saved up, a home equity loan offers certain advantages. The interest rates are very good compared to other types of loans, and the interest is usually tax-deductible as well.

Applying is easy. We offer a Fixed Rate Home Equity and a Home Equity Line of Credit. Speak with one of our loan specialists today and we will help you determine which option works best for you and your family.

## Dormant Account Notices

Dormant Notices have been sent out. Should you receive a notice, **do not ignore it**. We are obligated by law to send the proceeds from Dormant Accounts to the state if the account is not activated.

By mailing in a small deposit, it will reactivate your account and no longer be considered Dormant. If you do not receive a notice, no action is needed.
