A Bed For Every Child**

Imagine yourself falling asleep at night on a hard floor without the comfort of a bed to sleep in. Imagine how tired you would feel day in and day out without a proper nights sleep. Children across Massachusetts are faced with this on a daily basis. Five years ago, the Massachusetts Coalition for the Homeless was approached by a teacher asking for assistance to get a bed for a student she worked with. The teacher noticed

the child was tired and unable to concentrate. Once this teacher learned the student did not have a bed, the idea to reach out for help launched this program. Today, A Bed For Every Child receives over 200 referrals per month for assistance. This program spans from Western Massachusetts to Cape Cod. If you or your workplace would like to make a contribution to this worthy cause, please visit: www.abedforeverychild.org for more details or contact # 781-595-7570.

Fun Facts About August

August is known for many things, including the dog days of summer, National Watermelon Day (Aug. 3) and National Smile Week (Aug. 5–11). But there are many other fun facts associated with summer's last full month.

August is named after Augustus Caesar, founder and the first emperor of the Roman Empire, who was posthumously adopted by his maternal great-uncle Gaius Julius Caesar. In the early Roman calendar, August was actually the sixth

month of the year. It was originally 30 days in length, but an extra day was added so that it would equal the number of days in July, which was named after Julius Caesar.

August has two birthstones: peridot and sardonyx. Peridot is among the oldest known gemstones and is green in color. Sardonyx, which is lesser-known, is a white- and brown-banded gemstone once believed to have mystical powers. The official flower for August is the gladiolus. These vertical-growing flowers were named from the Latin "gladius," meaning a sword.

Fans of Elvis Presley mourn each Aug. 16th, the day the famed singer died in 1977.

On Aug. 24th in 79 A.D., the volcano Mount Vesuvius erupted, destroying the city of Pompeii and others.

People born in August fall under the sun zodiac signs of Leo and Virgo. Leos are known to be dramatic, creative and outgoing. Virgos have acute attention to detail and are the people most likely to dedicate themselves to serving. They also are loyal, hardworking and analytical.
